

HERE'S HEALTH
FOR YOU.

Unless a check is soon put to their operations, says an exchange, the trusts will commence buying large tracts of land, put up cheap shacks for tenants, import cheap labor from southern Europe, as the anthracite mine owners have done, put their cheap laborers on the lands and, receiving cheap transportation from the railroads as they now do, they will be in a position to crush out the small farmers. A majority of the farmers have been warming the vipers that will sting them to death when they get good and ready, which will be at no distant time unless their heads are scotched.—Louisville (Ill.) Ledger.

General Nelson A. Miles has been the object of no small amount of abuse because he reported conditions and facts touching the conduct of the United States army in the Philippine Islands, and some even go so far as to cause one to infer that the General went there on his own motion for the purpose of criticizing the administration, but the fact is that he was sent there by President Roosevelt, under instructions. But the veteran of the civil war, who saw service also against the Indians and during the Cuban war, can stand all the abuse and misrepresentation which the politicians for revenue only can give. The people have faith in General Miles, and will sustain him.—Elkader (Ia.) Democrat.

The *Orthomonic Era*, of Indiana, commenting upon an interview given out by Senator Simmons of North Carolina, says: "The *Orthomonic* would inform Mr. Simmons it is not Mr. Bryan that will control the next National Democratic Convention—but the great Democratic principles in the Kansas City platform. The battle of 1904 will be a conflict between true Democracy and plutocracy. In this battle there is no middle ground. It is not the election of the noble statesman from the western city which bears the name of Lincoln, so much as it is the salvation of the nation from the gamblers, the trusts, monopolists and alien masters. It is a war for the very life of the republic. The republic of Florence fell through the cunning of wealth. Our nation is in like peril to-day."

Mrs. Laura S. Webb,
Vice-President Woman's Democratic Club of Northern Ohio.

"I dreaded the change of life which was fast approaching. I noticed Wine of Cardui, and decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax."

Female weakness, disordered menses, falling of the womb and ovarian troubles do not wear off. They follow a woman to the change of life. Do not wait but take Wine of Cardui now and avoid the trouble. Wine of Cardui never fails to benefit a suffering woman of any age. Wine of Cardui relieved Mrs. Webb when she was in danger. When you come to the change of life Mrs. Webb's letter will mean more to you than it does now. But you may now avoid the suffering she endured. Druggists sell \$1 bottles of Wine of Cardui.
